SOLIDARITY MESSAGE TO THE HUNGARIAN TEACHERS

The E.B. of OLME expresses its fighting solidarity to our colleagues in Hungary, demonstrating against:

- a) the denial of the Hungarian government to fulfil the conditions of the agreement signed in 2007, resulting to the nominative reduce of teacher's salaries,
- b) the retrenchment in the state budget of the expenses for education, resulting to the reduction of the number of teachers as well as the generally negative influence to the provided education.

We stand in solidarity to your fights.

For the E.B. of OLME
