Dear Colleagues,

On behalf of the Greek teachers, the Executive Board of OLME would like to express its full support and solidarity to the struggles of Slovenian teachers and SVIZ Slovenije against the austerity policies and the cuts in education, in salaries and in pensions. The fight against the neoliberal policies in Slovenia, in Greece and in other countries across Europe is common. It is a fight for the present and the future of the societies. We are convinced that we are going to win through our joint action and we do wish you every success in your mobilizations.

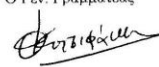

**For the E. B. of OLME**
