Dear Themis

On behalf of the 190,000 members of the Australian education Union (AEU), I extend to you our solidarity in your struggle to end suspensions imposed by the Greek Government.

The decisions of the Greek Government and the Troika resulting in suspensions of civil servants and employees in the public sector including in education are to be deplored. Unless reversed, these suspensions will have a negative impact on students and their opportunity to learn, potentially limiting their future opportunities.

We send our encouragement for your continued struggle, and best wishes for a successful outcome.

In solidarity

Angelo Gavrielatos  
Federal President
